List of new FOBL books in the pipeline

These books have already been purchased by FOBL for its members. Before they can be placed on the FOBL shelves all our books have to be catalogued by the Municipality. We have no control over how long this process takes. As the books become available we will add them to the list of new FOBL books placed on the shelves on this web site.

FOBL books are retained for the exclusive use of FOBL members for 6 months after being placed on the shelf, and thereafter until all outstanding reservations made by FOBL members have been satisfied.

If you want to read one of the books on the list, we recommend that you reserve it as soon as possible. The number of reservations determines whether we buy extra copies.

The list of books donated by FOBL to the BRYANSTON Library will be updated at the beginning of every month.
